

ML Introduction

Welcome to my Machine Learning and AI notebook.

▣▣ AI and ML Fundamentals

- [AI Best Practices](#) - some thoughts and principles that I've built up during my career building data projects.
- [Learning with Limited Data](#) - thinking around
- [AI Causing Chaos](#) - a compilation of examples of AI cautionary tales.

▣▣ Data Collection and Annotation

- Working with [Argilla](#)

▣▣ LLMs

- [Local LLMs](#)
- Reproducibility
