Coffee

Good UK Coffee Merchants

Hayling Island Coffee Society (HICS), Portsmouth

A local (to me), independent coffee roaster on Hayling Island just north of Portsmouth, Hampshire

Notable Blend: HICS Volcano Island - a strong dark roast similar to Taylors Hot Java Lava

Wonky Coffee Company, London/Online

An online retailer selling coffee salvaged from coffee shops + houses in London. They sell beans and aluminium pods (the latter of which can be recycled with a Dualit ecopress)

The Mecca, Aberystwyth, Wales

An independent Tea & Coffee trader in Aberystwyth, Wales where I did my undergrad degree.
