Fediverse

I am a member over at Fosstodon.

New to the Fediverse?

This guide written by Axbom has got you covered: https://axbom.com/mastodon-guide/

Who should I follow?

https://fedi.directory/ is a really cool list of interesting accounts that you could follow.

What tools are there?

As this toot says there are a huge number of apps that work on the Fediverse:

#Friendica - better #Facebook

#Funkwhale - like #Spotify and #SoundCloud

#Lemmy - like #Reddit

#PixelFed and #PeerPx - better #Instagram

#PeerTube - like #YouTube and #Vimeo

#Mastodon and #Pleroma - better #Twitter

#BookWyrm and #Inventaire - like #Goodreads

#distbin - like #Pastebin

#MissKey - better #Twitter and #Facebook combined

#Nextcloud - better #Dropbox, #Onebox, #GoogleDrive

#Owncast - live streaming

#WriteAs and #Plume - #Medium and hosted #WordPress on steroids
